# GUILIN

## Your Natural M.I.C.E Destination

桂林山水甲天下

下天江瀾

*Guilin*

# Why MICE 2 Guilin

**Guilin** is regarded as one of the most picturesque cities in China. Situated in the northeastern part of Guangxi Zhuang Autonomous Region. Guilin has enjoyed the reputation of having the most fantastic natural landscapes not only in China but also abroad. Visiting Guilin and discovering its natural wonders, such as its magical green pinnacles, crystal-clear water, grotesque rocks and mysterious caves, Guilin can provide a never-ending journey for every visitor.

## Key words of Guilin

**NEW  
OLD  
STYLE**

The most beautiful landscape city.

Queen of Song – Liu Sanjie

Super excellent scenery.

# Map of China

# Accommodation

**Guilin**'s reputation as one of the world's most beautiful places has become established for over 100 years and is ranked second in China's list of the top 10 best tourist destinations. A crystal-clear river meanders through the city, which is encircled by mountains with unique rock formations and caves. So there are many international hotels built along the river.

Remark
Guilin Classical Tour
Itinerary: Li River See the Osprey catch fish Reed Flute Cave Shangri-la Rong & Shan Lakes Scenic Area West street Impression Liu Sanjie
Duration: 2 day

# Attraction Highlights

The Li River originates in the Mao'er Mountains in Xing'an County and flows in the general southern direction through Guilin, Yangshuo and Pingle. In Pingle the Li River merges with two other streams, and continues south as the Gui River, which falls into the Xi Jiang, the western tributary of the Pearl River, in Wuzhou.
